

ZETA

Designed + handcrafted in New Zealand

Zeta cuts a strong, sculptural line — a beam of light, shaped by the angles of a stretched prism.

Dimensions 70mm W X 60mm H X 1.2m - 2.4m L

Includes Pendant, 24V LED strip 19W/m, standard 1.2m clear braided flex suspension.

Installation For dry indoor use only. Must be installed by a qualified electrician, following local wiring regulations. The driver is remote and should be placed in a ceiling void or another easily accessible location.

Materials + Finish Handcrafted from birch plywood and finished in six curated Aalto colours.

Care Wipe with a soft cloth dampened in warm water. Always clean when switched off.

Warranty Two-year warranty from date of purchase covering part failure (excl. fair wear and tear).
